2. Further, the Authority vide a Corrigendum dated 28 June 2007 had rounded off the rates prescribed in the then prevailing Wharfage Schedule in Scale-1, Chapter-III to the nearest 10 paise. Thus, the impact of the 42% increase ought to have been considered on the rounded off wharfage rates. The same is now being rectified. While doing so, the rates have been rounded off to the nearest 10 paise, as proposed by the Port. Accordingly, the Wharfage Schedule in Scale-1, Chapter III of SoR is to be substituted with the following:
