ORDER

(Passed on this 17th day of November 2016)

This case relates to the extension of the validity of the existing Scale of Rates of the Central Warehousing Corporation (CWC) operating the Container Freight Station at the Kandla Port Trust (KPT).

2. The existing Scale of Rates (SOR) of CWC was last approved by this Authority vide Order No.TAMP/35/2010-CWC dated 06 January 2012 which was notified in the Gazette of India on 01 March 2012. The Order prescribed the validity of the SOR till 31 March 2014. Subsequently this Authority based on the request made by the CWC had extended the validity of SOR of CWC on couple of occasions and the last extension being till 30 September 2016 vide Order dated 21 June 2016.

3. While extending the validity of its existing SOR vide Order dated 21 June 2016, this Authority had granted time till 31 July 2016 to the CWC to file its proposal for revision of its SOR.

4. In this regard, the CWC vide its letter dated 27 July 2016 informed that the CWC is in the process of obtaining approval of tariff proposal which will be submitted to TAMP and hence requested to further extend the date of submission of tariff proposal from 31 July 2016 to 31 August 2016. Accordingly, the Authority has, vide its letter dated 5 August 2016, intimated about grant of extension of time till 31 August 2016 to file its proposal for revision of its SOR.

5. The CWC has now vide its letter dated 7 November 2016 again requested to extend the validity of the existing SOR till 31 December 2016 or till approval of TAMP whichever is earlier. The CWC vide its email dated 10 November 2016 has also filed its proposal for revision of its SOR. This is being processed separately for initiating consultation process.

6. In view of the above and since the extended validity of the exiting SOR of KPT has expired on 30 September 2016 and based on the request made by the CWC, this Authority, extends the validity of the existing SOR of the CWC from the date of its expiry till 31 December 2016 or the effective date of implementation of the revised SOR, whichever is earlier.

7. If any additional surplus over and above the admissible cost and permissible return emerges for the period post 1 April 2014, during the review of its performance, such additional surplus will be set off fully in the tariff to be determined.
