ORDER

(Passed on this 4th day of July 2014)

This case relates to the extension of the validity of the existing Scale of Rates of the Paradip Port Trust (PPT).

2. The existing Scale of Rates (SOR) of the PPT was last approved by this Authority vide Order No. TAMP/62/2009-PPT dated 25 March 2011 which was notified in the Gazette of India on 23 May 2011. The Order prescribes the validity of the SOR till 31 March 2013. This Authority has extended the validity of SOR of PPT on couple of occasions; the last extension being till 30 June 2014 vide Order dated 4 April 2014.

3. The PPT has filed its proposal for revision of the existing SOR on 27 August 2012 which was registered as tariff case and taken on consultation. The proposal has been internally scrutinized and joint hearing in this case was held on 25 February 2013.

4.1. When the case was being firmed up for final consideration of this Authority, the PPT, vide its communication dated 30 October 2013, submitted that as the financial year 2012-13 was already over and the actual figures for the year 2012-13 are available which may have to be considered since the cargo mix estimated to be handled has undergone a change and the oil cargo has increased substantially. Moreover, due to severe cyclone on 12 October 2013, port has suffered damages to its properties which is estimated to be around ₹82.71 crores. The PPT has stated that if its request to Government of India for a grant to restore the damages caused is not considered, the PPT will have to meet the restoration cost from its internal resources which will affect its internal resources.

4.2. In view of the above position, the PPT has sought three months' time to submit a revised proposal for general revision of its SOR and has requested for continuation of levy of tariff as per existing SOR. For the reasons stated by PPT, it was allowed time till 31 January 2014 to file its revised proposal. Since the proposal was not received, the PPT was reminded to file its revised proposal vide our letter dated 17 February 2014. The PPT vide its letter dated 28 February 2014 has stated that it will submit its proposal as per new guidelines likely to be finalised by the Government. A letter to PPT in this regard advising PPT to file its proposal under the applicable tariff guidelines of 2005 was issued on 1 May 2014. Revised proposal from PPT is awaited. The PPT is, therefore, advised to file its revised proposal by 31 August 2014 under the applicable tariff guidelines of 2005.

5. In the meantime, the extended validity of the existing SOR expires on 30 June 2014. Recognizing that the PPT is yet to file its revised proposal it will take time for the case to mature for final consideration after receipt of the revised proposal (to be) filed by the PPT, this Authority extends the validity of the existing SOR of the PPT from the date of its expiry till 30 September 2014 or till the effective date of implementation of the revised Scale of Rates, whichever is earlier.

6. If any additional surplus over and above the admissible cost and permissible return accrues to the PPT post 1 April 2013, during the review of its performance, such additional surplus will be fully adjusted in the tariff to be fixed for the next cycle.
