ORDER

(Passed on this 21st day of February 2014)

This case relates to the proposal received from the Kolkata Port Trust (KOPT) for general revision of its Scale of Rates (SOR).

2. The KOPT has filed a proposal dated 30 January 2013 for general revision of its Scale of Rates. The said proposal was taken on consultation with the concerned users/ user organisations and the BOT operators at the KOPT. The comments furnished by the users/ user organisations were forwarded to the KOPT as feedback information. The KOPT has responded to the comments of the users/ user organisations. The proposal of the KOPT was internally scrutinized in the office. The additional information/ clarifications were sought from the KOPT. The KOPT has responded to the additional information/ clarifications sought by this Authority. While responding to our queries, the KOPT has furnished the revised cost statements, considering actuals of 2012-13. A joint hearing in this case was held on 7 August 2013 at the KOPT premises in Kolkata. At the joint hearing, the KOPT and the concerned users/ organisation bodies have made their submissions.

3.1. With reference to the totality of information collected during the processing of the case, this Authority has passed a speaking Order disposing of the proposal filed by the KOPT for general revision of its Scale of Rates. Considering deficit position depicted by the cost statements for a period of 2 years i.e. 2014-15 and 2015-16, this Authority has accorded approval for an across the board increase of 20% in the cargo related charges.

3.2. As per the estimated cost position, the vessel related activity of the port depicts a deficit position of around 40% for a period of two years i.e. 2014-15 and 2015-16. The proposal of the KOPT for increase in the vessel related charges is approved, as proposed by the port, subject to restricting the increase to 40% in respect of few tariff items where a higher percentage of increase has been sought by the port.

3.3. The KOPT is also authorised to charge a special rate of 5% as Pension Levy over the approved rates.

4. The Order passed by this Authority is in the process of notification in the Gazette of India which is likely to take some more time for notification. Since the tariff increase and the revised pension levy granted is based on the financial/ cost position of the KOPT for the years 2014-15 and 2015-16, this Authority desires that the revised Scale of Rates may come into force without waiting for notification of the Order. Therefore, this Authority notifies the revised Scale of Rates of the KOPT immediately which is attached as **Annex**. The revised Scale of Rates will come into force after expiry of 30 days from the date of notification but not before or later than 1 April 2014. The Order passed by this Authority will be notified separately and communicated to the KOPT and the relevant users/ user organisations and BOT operators in due course of time.

Where the gross CBM includes decimals, the same should be rounded off to the next higher whole unit of CBM.	
	(ii)	Rates applicable for a period/unit other than weight shall be applicable to the part of a period/unit thereof.	
	(iii)	Unless otherwise specified, if port equipment is used for landing/shipment of cargo / container from/into vessel or for any other purpose by the vessel, equipment charges specified in Section 16.1 shall be levied.	
	(iv)	Cargo Related Charges shall be levied on the owners of the cargo or their Clearing and Forwarding Agents / Handling Agents except where specified otherwise, or in cases where Ship Owners/Steamer Agents agree to pay such charges. In case of Shipper's own container, the owners of the cargo or their Clearing and Forwarding Agents/ Handling Agents can also pay the charges.	
	(v)	All charges related to Load / Empty Containers including demurrage thereon shall be levied on Container Agents/ Main Line Operators (MLO). However, in case of container from/to ICDs/Customs notified CFS, the concerned ICD or CFS operator can also pay the port charges. However, after de-stuffing or prior to stuffing, the cargo related charges, if any, shall be levied on the owner of the cargo or his Clearing & Forwarding Agent / Handling Agent.	
	(vi)	(a)	Vessel related charges shall be levied on the Ship Owners/Steamer Agents. Wherever rates have been denominated in US Dollar terms, the charge shall be recovered in Indian Rupees after conversion of US currency to Indian Rupee at the Reserve Bank of India's Reference Rate. The date of entry of vessel into port limit shall be reckoned as the date for such conversion.
		(b)	Container related charges denominated in US dollar terms shall be collected in equivalent Indian Rupees based on the Reserve Bank of India Reference Rate prevalent on the date of entry of the vessel in case of import containers; and on the date of arrival of the containers into port, in case of export containers.
	(vii)	(a)	The Vessel related charges for all Coastal vessels should not exceed 60% of the corresponding charges for other vessels.
		(b)	The cargo /container related charges for all Coastal cargo/containers, other than thermal coal, POL including crude oil, Iron Ore and Iron Ore Pellets, should not exceed 60% of the normal cargo/container related charges.
		(c)	In case of cargo related charges, the concessional rates should be levied on all the relevant cargo handling charges for ship-shore transfer and transfer from/to quay to/from storage yard including wharfage.
		(d)	In case of container related charges, the concession is applicable on composite box rate. Where itemized charges are levied, the concession will be on all the relevant charges for ship-shore transfer, and transfer from /to quay to/from storage yard as well as wharfage on cargo and containers.

		(e)	For the purpose of this concession, cargo / container from a foreign port which reaches an Indian Port 'A' for subsequent transshipment to Indian Port 'B' will also qualify insofar as the charges relevant for its coastal voyage. In other words, cargo/containers from / to Indian Ports carried by vessels permitted to undertake coastal voyage will qualify for the concession.
		(f)	The charges for coastal cargo/containers/vessels shall be denominated and collected in Indian Rupee.
	(viii)		In all cases where charges are levied in US Dollar terms, the exchange rate shall be reviewed once in every 30 days from the date of applicable exchange rate adopted initially in respect of storage charge for containers staying inside the Port for more than 30 days or in respect of vessel related charges for vessels staying in the Port for more than 30 days. In such cases, the basis of billing shall change prospectively with reference to the appropriate exchange rate prevailing at the time of review.
	(ix)		Samples, Catalogues and other articles for which Shipping Companies charge no freight and on which no Customs duty is payable, diplomatic mail bags, crew baggage and all goods meant for KoPT's use shall be exempted from payment of all cargo related charges.
	(x)		No charge shall be levied on stores/ provisions supplied on board KoPT crafts/vessels.
	(xi)		No demurrage shall be charged for the days during which delivery cannot be effected due to strike by the Port employees provided the concerned Importer or his Authorized Agent files the complete delivery documents on payment of all Port charges prior to commencement of the strike.
	(xii)	(a)	Berth hire charge shall stop 4 hours after the time of the vessel's signalling its readiness to sail. The time limit prescribed for cessation of berth hire charge shall exclude the ship's waiting time for want of favourable tidal conditions or on account of inclement weather or due to absence of night navigation facilities or non-acceptance of the vessel by HDC.
		(b)	There shall be penal berth hire equal to berth hire charge of one day for a false signal.
	(xiii)		Interest on delayed payments / refunds:
		(a)	The user shall pay penal interest on delayed payments under this Scale of Rates. Likewise, KoPT shall pay penal interest on delayed refunds.
		(b)	The rate of penal interest will be 16.75 %. The penal interest rate will apply to both the KoPT and the port users equally.
		(c)	The delay in refunds will be counted only 20 days from the date of completion of services or on production of all the documents required from the users, whichever is later.
		(d)	The delay in payments by the users will be counted only 10 days after the date of raising the bills by KoPT. This provision shall, however, not apply to the cases where payment is to be made before availing the services / use of Port Trust's properties as stipulated in the Major Port Trust Act and / or where payment of charges in advance is prescribed as a condition in this Scale of Rates.

	(xiv)	Before classifying any cargo under “unspecified category” or otherwise for determination of the nature of cargo, the relevant Customs classification shall be referred to, in order to find out whether the cargo can be classified under any of the specified categories mentioned in the schedules.	
	(xv)	(a)	A foreign going vessel of Indian flag having a General Trading License can convert to coastal run on the basis of a Customs Conversion Order.
		(b)	A foreign going vessel of foreign flag can convert to coastal run on the basis of a Coastal Voyage License issued by the Director General of Shipping.
		(c)	For dedicated Indian coastal vessels having a Coastal License from the Director General of Shipping, no other document will be required by her to be entitled for coastal rates.
		(d)	The status of the vessel, as borne out by its certification by the Customs or Director General of Shipping, shall be the deciding factor for its classification as ‘Coastal’ or ‘Foreign-going’ for the purpose of levy of vessel related charges; and, the nature of cargo or its origin will not be of any relevance for this purpose.
		(e)	The corresponding vessel related rates should be applied depending on the status of the vessel at the time of the incidence of such charge.
	(xvi)	For all types of cargo, cargo related charges shall be levied on the gross weight of the consignment.	
	(xvii)	For the purpose of charging, Shipper’s Own Containers will be at par with the rates that of Marine Freight Containers	
	(xviii)	Users will not be required to pay charges for delays beyond a reasonable level attributable to KoPT.	
	(xix)	(a)	Wherever a specific tariff for a service/cargo is not available in the notified Scale of rates, KoPT can submit a suitable proposal to TAMP
		(b)	Simultaneously with the submission of the proposal, the proposed rate can be levied on an ad hoc basis till the rate is finally notified.
		(c)	The ad hoc rate to be operated in the interim period must be derived based on existing notified tariffs for comparable services/ cargo; and, it must be mutually agreed upon by the Port/ Terminal and the concerned user(s).
		(d)	The final rate fixed by the TAMP will ordinarily be effective only prospectively. The interim rate adopted in an ad hoc manner will be recognised as such unless it is found to be excessive requiring some moderation retrospectively.
	(xx)	(a)	The rates prescribed in this Scale of Rates are ceiling levels; likewise, rebates and discounts prescribed are floor levels. KoPT may, if it so desires, charge lower rates and/ or allow higher rebates and discounts.
		(b)	KoPT may also, if it so desires, rationalize the prescribed conditionality governing the application of rates prescribed in the Scale of Rates if such rationalization gives relief to the user in rate per unit and the unit rates prescribed in the Scale of Rates do not exceed the ceiling levels.

		(c)	Provided that KoPT should notify the public such lower rates and / or rationalization of the conditionality governing the application of such rates and continue to notify the public any further changes in such lower rates and / or in the conditionality governing the application of such rates provided the new rates fixed shall not exceed the rates notified by the TAMP.
