O R D E R

(Passed on this 10th day of October 2019)

This case relates to the proposal received from the V.O. Chidambaranar Port Trust (VOCPT) for general revision of its Scale of Rates (SOR).

2. The VOCPT has vide its letter dated 27 February 2019 filed a proposal for general revision of its Scale of Rates. The VOCPT had hosted the said proposal in its website for comments of users/ user organisations at the VOCPT. The comments furnished by the users/ user organisations were forwarded to the VOCPT as feedback information. The VOCPT has responded to the comments of the users/ user organizations. A joint hearing in this case was held on 29 May 2019 at the VOCPT premises in Tuticorin. At the joint hearing, the VOCPT and the concerned users / organisation bodies have made their submissions. The proposal of the VOCPT was internally scrutinized in the office. The additional information/clarifications were sought from the VOCPT. The VOCPT has responded to the additional information/clarifications. While responding to the additional information/clarifications, the VOCPT has furnished revised draft SOR and modified Performance Standards along with other requisite information.

3. With reference to the totality of information collected during the processing of the case, this Authority has passed a speaking Order disposing of the proposal filed by the VOCPT for general revision of its Scale of Rates.

4. The speaking Order passed by this Authority is in the process of notification in the Gazette of India which is likely to take some more time for notification. This Authority desires that the revised Scale of Rates and Performance Standards may come into force without waiting for notification of the Speaking Order. Therefore, this Authority notifies the revised Scale of Rates and Performance Standards of the VOCPT immediately which is attached as **Annex - I** and **Annex - II** respectively. The revised Scale of Rates will come into force after expiry of 30 days from the date of notification of this Order notifying the Scale of Rates and Performance Standards and shall be in force for a period of 3 years from the effective date of implementation of this Order. The Speaking Order passed by this Authority will be notified separately and communicated to the VOCPT and the relevant users/ user organisations in due course of time.

SCALE OF RATES
 CHAPTER –I

1.1. Definitions – General

In this Scale of Rates, unless the context otherwise requires, the following definitions shall apply:

- (i) **“Coastal vessel”** shall mean any vessel exclusively employed in trading between any port or place in India to any other port or place in India having a valid coastal licence issued by the competent authority.
- (ii). **“Cold move”** shall mean the movement of the vessel without the power of the engine of the vessel.
- (iii). **“Day”** shall mean the period starting from 6 a.m. of a day and ending at 6 a.m. on the following day.
- (iv). **“Foreign-going vessel”** shall mean any vessel other than coastal vessel.
- (v). **“Week”** shall mean a continuous period of 7 days.
- (vi). **“Hirer”** shall mean all users of the port using any of the appliances of the port.
- (vii). **“Month”** shall mean the period from 1st to end of the calendar month.
- (viii). **“Port”** means both Zone A and Zone B of the Port of Tuticorin. Zone ‘A’ of the Port shall comprise of all the area other than area in Zone ‘B’. Zone ‘B’ shall comprise the area falling within the limits notified in G.S.R. No.306 (E) in Part II - Section 3 (i) of Gazette of India (Extraordinary), dated 31st March 1979.
- (ix). **“Sailing vessels”** shall mean vessels propelled solely by wind power and includes vessels fitted with mechanical means of propulsion.
- (x). **“Sea going Steam vessels”** shall mean sea-going vessels other than sailing vessels.
- (xi). **“Shift”** shall mean shift of 8 hours as applicable to port employees.
- (xii). **“Shut out cargo”** means, cargo meant for shipment as per the Shipping Documents not taken by Master of a vessel for want of space or draft restriction in part or in full or due to cancellation of the nominated vessel and taken back without being exported. Damaged cargoes and cargo rejected by Surveyors of Shippers, shall not be treated as “Shut out Cargo”.
- (xiii). **“Trip”** shall mean, movements from one point to another in one direction only. In Zone ‘B’, service from shore to anchorage shall be treated as one trip, and from anchorage to shore shall be treated as another trip. Ship to ship service shall also be treated as one trip. In other words, service to and fro i.e. from one point to another and back shall be counted as two trips.

1.2. General Terms & Conditions

- (i). The status of the vessel, as borne out by its certification by the Customs or the Director General of Shipping, shall be the deciding factor for classifying into ‘coastal’ or ‘foreign-going’ category for the purpose of levying vessel related charges; and, the nature of cargo or its origin will not be of any relevance for this purpose.
- (ii). System of classification of vessel for levy of Vessel Related Charges (VRC).
 - (a). A foreign going vessel of Indian flag having a General Trading Licence can convert to coastal run on the basis of a Customs Conversion Order. Such vessel that converts into coastal run based on the Customs Conversion Order at her first port

of call in Indian Port, no further custom conversion is required, so long as it moves on the Indian Coast.

- (b). A Foreign going vessel of foreign flag can convert to coastal run on the basis of a license for Specified Period or voyage issued by the Director General of Shipping and a custom conversion order.

(iii). Criteria for levy of Vessel Related Charges (VRC) at Concessional Coastal rate and foreign rate

- (a). In cases of such conversion, coastal rates shall be chargeable by the load port from the time the vessel starts loading coastal goods.
- (b). In cases of such conversion coastal rates shall be chargeable till the vessel completes discharging operations at the last call of India Port; immediately thereafter, foreign going rates shall be chargeable by the discharge ports
- (c). For dedicated Indian coastal vessels having a Coastal licence from the Director General of Shipping, no other document will be required to be entitled to coastal rates.

(iv). Criteria for levy of Cargo Related Charges (CRC) at Concessional Coastal rate

- (a). Foreign going Indian Vessel having General Trading License issued for 'worldwide and coastal' operation should be accorded applicable coastal rates with respect to Handling Charges (HC) i.e. ship to shore transfer and transfer from/ to quay to/ from storage yard including wharfage in the following scenario:

- (i). Converted to coastal run and carrying coastal cargo from any Indian Port and destined for any other Indian Port.

- (ii). Not converted* to coastal run but carrying coastal cargo from any Indian Port and destined for any other Indian Port.

* The Central Board of Excise and Customs Circular no.15/2002-Cus. dated 25 February 2002 allows carriage of coastal cargo from one Indian port to another port in India, in Indian flag foreign going vessels without any custom conversion.

- (b). In case of a Foreign flag vessel converted to coastal run on the basis of a License for Specified Period or voyage issued by the Director General of Shipping, and a Custom Conversion Order, the coastal cargo/ container loaded from any Indian Port and destined for any other Indian Port should be levied at the rate applicable for coastal cargo/ container.

- (v). (a). Vessel related charges shall be levied on shipowners / steamer agents. Wherever rates have been denominated in US dollar terms the charges shall be recovered in Indian Rupees after conversion of US currency to its equivalent Indian Rupees at the reference rate notified by the Reserve Bank of India from time to time. The date of entry of the vessel into the port limit shall be reckoned with as the day for such conversion.

- (b). Container related charges denominated in US dollar terms shall be collected in equivalent Indian Rupees based on the reference rate notified by Reserve Bank of India from time to time prevalent on the date of entry of the vessel in case of import containers; and on the date of arrival of the containers into the port in case of export containers.

- (vi). A regular review of exchange rate shall be made once in thirty days from date of arrival of the vessels in cases of vessels staying in the port for more than thirty days. In such cases, the basis of billing shall change prospectively with reference to the appropriate exchange rate prevailing at the time of review.

- (vii). (a). For the purpose of calculating the dues, the unit by weight shall be 1 tonne or 1,000 kilograms, the unit by volume measurement shall be 1 cubic metre and the unit by capacity measurement for liquids in bulk shall be 1,000 litres.

- (b). In calculating the gross weight or measurement by volume or capacity of any individual item, fractions below 0.5 shall be taken as 0.5 unit and fractions of 0.5 and above shall be treated as one unit, except where otherwise specified.
- (viii). Interest on delayed payments / refunds:
 - (a). The user shall pay penal interest on delayed payments under this Scale of Rates. Likewise, the VOCPT shall pay penal interest on delayed refunds.
 - (b). The rate of interest will be 15.00% p.a.
 - (c). The delay in refunds by the Port will be counted only 20 days from the date of completion of services or on production of all the documents required from the users, whichever is later.
 - (d). The delay in payments by the users will be counted only 10 days after the date of raising the bills by the VOCPT. This provision shall, however, not apply to the cases where payment is to be made before availing the services / use of Port Trust's properties as stipulated in the Major Port Trust Act 1963 and / or where payment of charges in advance is prescribed as a condition in this Scale of Rates.
- (ix). Aggregate of all payable bills (including demurrage) payable on cargo handling charges on one consignment shall be subject to a minimum of ₹50/-
- (x). All charges worked out shall be rounded off to the next higher rupee on the grand total of each bill before applicable taxes.
- (xi). No refund shall be made unless the amount refundable is ₹50/- or more. Similarly, short collection upto ₹50/- will not be demanded by the Port.
- (xii). Every requisition for availing the services of craft/equipment/tools & plant shall be accompanied by the hire charges in advance.
- (xiii). The hire of floating craft, equipment and tool and plant to the public is not guaranteed normally by the port. The craft/equipment/tool and plant shall be hired out only if available. The VOCPT shall not be responsible to the hirer or any person for any loss or damage or injury to life or property arising directly or in-directly from the use of craft/equipment/tool and plant of any sort or any damage which may occur as a result of non-supply or delay in supply or by the use of the craft / equipment / tool and plant of the port or due to failure of the craft / equipment / tool and plants at any stage during the period of hire. The hirer shall keep the crafts / equipments in good order and condition and shall be liable for any damage caused to the crafts/equipment/tools and plants during the subsistence of hire and shall make good all damages, whether by accident, by fire or otherwise. The hirer shall indemnify the port and against all loss or damage or injury to life arising directly or indirectly from the use of the craft/equipment/tool and plants during the period of hire to any property belonging to the Board including the crafts/equipment/tools and plants under hire or to any other person or property or break down or any demurrage incurred on cargo. The liability of the hirer shall not be affected by the fact that such loss or damage or injury to life may have arisen due to any act or default of any employee of the port. The hirer shall also indemnify the port for all liabilities under the Workmen's Compensation Act.
- (xiv). The cost of repairing the damage sustained by the craft/equipment/tools and plants or appliances or parts thereof that might be broken, missing or specially damaged or lost during the period of hire shall be that actually incurred for the purpose by the VOCPT including the usual indirect charges, centage charges. The cost of replacements, if necessary of a part or in full of the craft/equipment/tools and plants will be either the book value or the current market value whichever is higher.
- (xv). In case of damages to crafts, equipment, tools and plants, the hirer shall deposit anticipated amount for all such charges for damages as assessed by the VOCPT immediately on receipt of the demand, pending determination of the actual charges and in case of total loss the hirer shall deposit the book value or market value of the crafts or appliances or properties

of the VOCPT whichever is higher. If the damage cost is not paid within the time stipulated, the same will be adjusted from any dues payable to the Agencies concerned.

- (xvi).
 - (a). The vessel related charges for all coastal vessels should not exceed 60% of the corresponding charges for other vessels.
 - (b). The cargo / container related charges for all coastal cargo / containers, other than coal used for thermal power plants, POL including crude oil, iron ore and iron ore pellets, should not exceed 60% of the normal cargo / container related charges.
 - (c). In case of cargo related charges, the concessional rates should be levied on all the relevant handling charges for ship-shore transfer and transfer from / to quay to/ from storage yard including wharfage.
 - (d). In case of container related charges, the concession will be applicable on all the relevant charges for ship-shore transfer, and transfer from / to quay to / from storage yard as well as wharfage on cargo and containers.
 - (e). Cargo/ container from a foreign port which reaches an Indian Port 'A' for subsequent transshipment to Indian Port 'B' will be levied the concession charges relevant for its coastal voyage. In other words, cargo/ containers from/to Indian Ports carried by vessels permitted to undertake coastal voyage will qualify for the concession
 - (f). The charges for coastal cargo/ containers/ vessels shall be denominated and collected in Indian Rupee.
- (xvii).
 - (a). The rates prescribed in the Scale of Rates are ceiling levels; likewise, rebates and discounts are floor levels. The Port Trust may, if it so desires, charge lower rates and/or allow higher rebates and discounts.
 - (b). The port may also, if they so desire rationalise the prescribed conditionalities governing the application of rates prescribed in the Scale of Rates if such rationalisation gives relief to the users in rate per unit and the unit rates prescribed in the Scale of Rates do not exceed the ceiling level.
 - (c). The ports should, however, notify the public such lower rates and/or rationalisation of the conditionalities governing the application of such rates and continue to notify the public any further changes in such lower rates and/or in the conditionalities governing the application of such rates provided the new rates fixed shall not exceed the rates notified by the TAMP.
- (xviii). The users shall not be required to pay charges for delays beyond a reasonable level attributable to the VOCPT.
- (xix). Guidelines on priority berthing of coastal vessels at Major Ports issued by the Ministry of Shipping vide letter No.PT-11033/51/2014-PT dated 4 September 2014:
 - (a). "Coastal vessels" is defined as any vessel exclusively employed in trading between any port or place in India to any other port or place in India having a valid coastal license issued by the Director General of Shipping / competent authority.
 - (b). Major ports shall accord priority berthing, at least on one berth, to dry bulk/ general cargo coastal vessels to enable shippers to transport goods from one port in India to another port in India irrespective of origin and final destination of the cargo. This would be in addition to dedicated berth, for handling of Coastal Thermal Coal already existing in Major Ports, if any.
 - (c). All Major Ports shall accord priority berthing through specific window to coastal container vessels keeping in view the concession agreements and existing allotment of window berthing at the private terminals and availability of container berths operated by the ports.
 - (d). In respect of POL / Liquid cargo tankers, existing practices regarding such priorities as prevalent in various ports may continue.

- (e). Coastal vessels which are be accorded priority berthing shall not be liable to pay priority berthing charges
- (f). There will be no restrictions on berthing of coastal vessel, in addition to the coastal vessel berthed on priority as above, if the same is eligible under normal berthing policy of the port
- (g). A coastal vessel shall be liable to pay port charges on coastal rates notwithstanding whether it was berthed on priority or otherwise.
- (h). Ports should explore the possibilities of earmarking exclusive berth, storage areas and gates for coastal cargo outside the custom bonded area of the Ports to further facilitate movement of coastal cargoes.
- (i). Major Ports shall clearly work out the time limit within which a coastal vessel would be berthed in a particular port. This time limit may differ depending on the cargo and berth. Each Major Port should carry out a detailed exercise and issue a trade notice clearly indicating the upper time limit within which a coastal vessel would be given a berth in the port. As regards priority berthing through a specific window to coastal container vessels, Major Ports should have a detailed discussion with the PPP operator and publish the specific window for coastal container vessels. The above mentioned exercise and publication should be completed within 30 days from the date of issue of these guidelines.
- (j). The MIS in the Port should capture data for coastal and foreign vessels cargoes separately. The data so captured shall be monitored and reported internally in the port as well as to IPA and Ministry in separate format for coastal and foreign vessels.”
- (xx). In order to decongest the ports and encourage exporters / importers to utilize the port services beyond regular hours, lower charges may be levied for cargo and vessels related services as well as special discount may be offered in port charges for the services rendered after regular hours.

[This condition is incorporated in pursuance to the MOS letter No.PD/14033/101/2015- PD.V dated 3 February 2016 based on which a common adoption Order No.TAMP/14/2016-Misc dated 16 February 2016 is approved by the Authority].

- (xxi). (a). The SOR is subject to automatic annual indexation at 100% of the WPI to be annually announced by the Authority. The next annual indexation will be from May 2020 subject to the VOCPT achieving the performance standard notified along with the SOR. If Performance Standards prescribed in the SOR are not achieved, there will be no indexation in the SOR for that particular year.
- (b). The port should declare the Performance Standards achieved by it annually for the period 1 January to 31 December vis-à-vis the Performance Standards notified by the Authority at the level committed by the port within one month of end of the calendar year to the concerned users as well as to the Authority. If the Performance Standards as notified by the Authority are achieved by the port, then the port will automatically index the SOR at 100% of WPI announced by the Authority and apply the indexed SOR w.e.f. 1 May of the relevant year. The indexed SOR by the VOCPT to be intimated by the port to the concerned users and to the Authority.

Notes:

One Shifting Charges is free. For more than one shifting charges, the above rates are applicable.

General notes relating to Schedule 2.2.1., 2.2.2. and 2.2.3.

- (1). (i). For piloting a vessel on cold move, 100% of the applicable pilotage fee will be levied if both inward and outward movements are cold move in addition to the normal pilotage fee. In case only one movement is cold, then 50% of the applicable pilotage fee will be levied in addition to the normal pilotage fee.
- (ii). For shifting a vessel on cold move, 100% of the applicable shifting charge shall be leviable in addition to the normal shifting charge.
- (2). Shifting a vessel from any berth to outer anchorage shall mean completion of pilotage act; on re-entry by the vessel under the same port entry, pilotage fees afresh shall be payable as prescribed under the Schedule.
- (3). No charges shall be levied for shifting of a vessel for port convenience.
 - (i). "Port convenience" is defined to mean the following:
 - (a). If a working cargo vessel at berth or any vessel at mooring is shifted/ in berthed for undertaking dredging work/ hydrographic survey work or for allotting a berth for the dredger or for attending to repairs to berths, maintenance and such other similar works whereby shifting is necessitated, such shifting shall be considered as "Shifting for Port Convenience". The shifting made to reposition such shifted vessel shall also be considered as "Shifting for Port Convenience".
 - (b). Whenever a vessel is shifted to accommodate another vessel which can not be berthed at other berths due to draft and LOA restrictions such shifting shall be considered as "Shifting for Port Convenience".
 - (c). Whenever a vessel is shifted to accommodate another vessel having priority at the adjacent berth and unless that vessel shifts, another vessel can not be berthed at the adjacent-berth due to length restrictions, such shifting shall also be considered as "Shifting for Port Convenience".
 - (d). Whenever a vessel is shifted from berths to accommodate another vessel carrying hazardous cargo which needs adjacent-berth to be kept vacant for safety reasons such shifting shall also be considered as " Shifting for Port Convenience".
 - (e). Shifting a vessel from deeper draft berth to lower draft berth in VOC wharf to accommodate the first waiting vessel requiring deeper draft berth

provided no other vessel requiring lower draft berth waits, in the queue shall also be considered as "SHIFTING FOR PORT CONVENIENCE".

- (f). Shifting of vessel during adverse weather condition to anchorage and bring it back to berth.
- (ii). Whenever a vessel is shifted from berth to accommodate another vessel on ousting priority, the vessel shifted is exempted from the payment of shifting charges since the same is paid by the vessel enjoying the ousting priority or the shifting is treated as for Port Convenience when the priority vessel is exempted from payment of such charges.
- (4). Shifting from deeper draft berth to lower draft berth and vice versa in respect of any vessel shall be carried out only on priority / ousting priority request from the steamer agent / the master of the next vessel in the queue for berthing. The charges payable shall be equivalent to one pilotage act as prescribed in the schedule. When the working vessel is to complete loading/ unloading and is ready for sailing out within 24 hours from the time the request for ousting priority from the vessel is received, the former vessel will not be shifted unless vacant berths are available for completing the handling of the former vessel.
- (5). Ousting priority shall mean ousting a working vessel in a berth or jetty and berthing another vessel asking for such ousting permission in view of the following:
 - (i). Warranted by the hazardous nature of the cargo and dock safety requirements.
 - (ii). The time schedule in the voyage is to be kept up by vessel carrying food grains for public consumption and fuel, oil and coal meant for consumption by public utility services, viz., thermal power plants, Government companies dealing in manufacturing, refining and or distribution of such products.
 - (iii). As directed by the Government from time to time in this regard.
- (6). In cases of ousting priority, over and above the pilotage fees leviable on the vessel availing the benefit of such ousting, additional pilotage fees equivalent to the pilotage fees for the vessel so ousted shall be leviable from the former.
- (7). Full pilotage charges will be levied when ousted vessel is shifted to anchorage. If ousted vessel is shifted to other berths, shifting charges as applicable for the ousted vessels shall be levied as per Scale of Rates. The vessel availing the benefit of ousting priority shall be liable to pay the additional pilotage / shifting fee prescribed in this note.
- (8). (a). When any/ all of the following conditionalities are not satisfied in respect of a working vessel at a berth then the vessel will be shifted with the approval of Chairman to outer anchorage or another available and suitable berth with respect to the draught of the vessel:
 - (i). When a vessel is operating with ship derricks either in a crane berth or non-crane berth and she is idle due to non-working of the crane for a period of four hours in a shift either continuously or intermittently (less than fifteen minutes excluded).

Notes:

- (1). Wharfage charges on bulk cargo shall be recovered on the manifested tonnage of the vessels. In the case of export bulk cargo wharfage can be levied as declared in the EGM or with reference to the entire admitted quantity whichever is higher even if the EGM quantity is declared less than the admitted quantity. In case of Import Cargo, wharfage can be levied as declared in the IGM or entire delivered quantity whichever is higher.
- (2). Wharfage shall be payable on all cargoes admitted to the said port's transit areas for shipment. Cargo once shut out if admitted to the port again for shipment will also attract wharfage irrespective of the fact the wharfage was levied on an earlier occasion.
- (3). Transshipment:
 - (i). Goods consigned to ports other than Tuticorin as per the Bill of lading, if landed at Tuticorin for transshipment, shall be considered as transshipment cargo so long as it remains within the port security area, and shall pay single wharfage payable on landing.
 - (ii). For transshipment of cargo from ship to ship (swapping) outside the Port basin, wharfage shall not be collected. But, both the vessels shall pay 25% of the Port dues and charges of other services rendered as per the rates prescribed in the Scale of Rates except in respect of food grains manifested for Indian Ports.

- (iii). As regards, transshipment of cargo from vessel to vessel inside the Harbour basin without using the landing place, the vessels shall pay Port dues and other charges as applicable in full, and 50% of single wharfage charges.
 - (iv). If transshipment cargo goes out of the port security area and thereafter comes into the port security area for loading into the vessel, the same shall not be treated as transshipment cargo and the cargo shall pay the wharfage again for loading into the vessel.
 - (v). Cargo transshipment fee @ ₹5.11/- per tonne will be collected for cargo handled at the anchorage.
 - (vi). A fee on cargo transfer from vessel to barge or vice versa in the harbour basin will be levied at 50% of the wharfage rate prescribed in Schedule 3.1. of the Scale of Rates in addition to the wharfage leviable on such cargo for handling at berth.
- (4). In case of cargo loaded into a vessel and subsequently unloaded due to various reasons, no wharfage shall be levied if the cargo is reshipped in the same vessel without leaving the port's premises. Wharfage shall, however, be levied again if the cargo is reshipped in another vessel.

(5). Wharfage on goods from vessels in distress:

Item No.	Classification for purpose of wharfage	Dues payable
(i).	Cargo of other ports landed from vessels in distress	Wharfage rate as prescribed in Schedule 3.1. shall be levied.
(ii).	Cargo that has paid exports wharfage at Tuticorin but has not been carried to destination.	No wharfage shall be levied at the time of landing or at the time of reshipment or if removed out of the VOCPT premises.
(iii).	Cargo of other ports reshipped without having left the VOCPT premises.	No wharfage shall be levied at the time of shipment.

- (6). On packages containing articles of miscellaneous character, wharfage charges shall be levied at the rate applicable to individual cargo items.
- (7). In the case of hazardous cargo, (i.e.) cargo identified as such in International Maritime Dangerous Goods Code (IMDG), classified as "Goods not otherwise specified", vide Sl.No.16 and 23 of the above schedule, 100 percent of the wharfage shall be recovered over and above the normal dues".
- (8). The following categories of goods shall be exempted from wharfage charges:
- (i). Passenger's and Seaman's Bonafide baggage and personal effects accompanying them;
 - (ii). Empty gunnies and twines sent to ships to facilitate landing or loading of cargoes in bulk order replacing wet or torn bags;
 - (iii). Goods consigned to or by the VOCPT;
 - (iv). Postal mail bags.
- (9). The box rate prescribed for cargo in FCL containers in serial number 6(b) and 6(d) in schedule 3.1. above will also apply in the case an LCL (Less than Container Load) container coming in and going out of the VOCPT as a unit load.
- (10). All goods intended for shipment shall be assessed on export application. Similarly, all goods landed within the limits of port of Tuticorin shall be assessed on import application.
- (11). The wharfage shall be calculated on the total tonnage of each item of goods. For this purpose the gross and if the circumstances require, the net units of each package as specified in the relative invoice or other shipping document shall be reckoned with, subject to test check by the port authorities. In the absence of these documents or the specification of the gross units therein, the units actually arrived at by test check shall be taken as the gross units.

- (12). Before classifying any cargo under 'unspecified category' in the wharfage schedule, the relevant Customs classification shall be referred to find out whether the cargo can be classified under any of the specific categories mentioned in those schedules.
- (13). Vessels which call at the port, for which IGM and/or EGM are filed for the purposes of Customs Act, 1962 cannot be treated as "cargo" and they are conveyance only, and the port shall not charge wharfage on such vessels.
- (14). Restow – Cargo of other ports landed from vessels and reshipped in the same vessel – wharfage shall be levied as applicable.

3.1.2. Cess for Pollution mitigating measures / spillage charges for dry bulk cargo

Cess for Pollution mitigating measures shall be levied at ₹10/- per M.T in respect of all dry bulk cargoes excluding cargo handled through closed conveyors within port limits.

Notes:

- (a) Dusty cargoes handled through bags shall not attract cess for pollution mitigating measures under schedule 3.1.2
