ORDER

(Passed on this 2nd day of January 2015)

This Order relates to the extension of the validity of the existing Scale of Rates of the Kandla Port Trust (KPT).

2. The existing Scale of Rates (SOR) of the KPT was last approved by this Authority vide Order No. TAMP/61/2009-KPT dated 18 January 2011 which was notified in the Gazette of India on 22 February 2011. The Order prescribed the validity of the SOR till 31 March 2013. This Authority has extended the validity of SOR of KPT on couple of occasions; the last extension being till 31 December 2014 vide Order dated 30 September 2014.

3.1. The KPT had earlier filed a proposal for revision of its SOR vide its proposal dated 3 January 2013 which was registered as tariff case in January 2013 and taken on consultation with relevant stakeholders. This Authority, vide its Order No. TAMP/73/2012-KPT dated 4 July 2014, had decided to close the case for want of revised proposal from the KPT and had also advised the KPT to file fresh proposal for general revision of its SOR based on 2013-14 actuals latest by 31 August 2014 which was to be treated afresh.

3.2. The KPT has filed its revised proposal dated 2 September 2014 which was taken on consultation with relevant stakeholders for their comments. The proposal is being internally scrutinized. Joint hearing as part of the consultation process will also have to be set up.

4.1. In the meantime, the extended validity of the existing SOR of KPT expired on 31 December 2014. The KPT vide its letter dated 24 December 2014 has requested this Authority to extend the validity of the existing SOR till the rates are revised by this Authority.

4.2. In view of the request made by KPT and also considering the present status of the revised proposal as brought out in para 3.2 above, it will take time for the case to mature for final consideration of this Authority. This Authority, therefore, extends the validity of the existing SOR of KPT from the date of its expiry till 31 March 2015 or till the effective date of implementation of the revised Scale of Rates, whichever is earlier.

4.3. If any additional surplus over and above the admissible cost and permissible return emerges for the period post 1 April 2013, during the review of its performance, such additional surplus will be set off fully in the tariff to be determined.
